Hdq Gr.

made easily With this view names of officials who have duly qualified themselves were called for from the Heads of Departments Concerned

72) On receipt of recommendations two lists of have been prepared one containing the names of non-brahmin candidates and another of Brahmin Candidates the number of non-Brahmin candidates is 34 while that of Brahmins is 50 The Communities to which the non-Brahmin Candidates belong are as follows

Some deviation from the G.O.s appears necessary, having regard to the need for adequate representation of all Communities. Candidates whose chances for inclusion in the Amildar list are fair, have been excluded as far as possible officials who have had Experience of work in Municipalities & District Boards have been preferred. Candidates who have an aptitude for executive work or have been actually working in the Subordinate Executive Service have been preferred for inclusion.

137 It is really very difficult to stick to the very letter of G.O dated 17th June 1938 in making a selection of Candidates for Equal opportunities for a large number of Candidates of various Communities have to be given, a deviation from the terms of the said G.O, is inevitable.

Respected Sir,

I am given to understand that there is a proposal to include certain names of the officials in the Chief Officers List and in this connection I beg to bring the following few lines for your kind and sympathetic consideration --

I was selected as Probationery Revenue Inspector in the year 1934 and was appointed as Revenue Inspector in the year 1935 Now I am a first grade Revenue Inspector on Rs 50/- plus Rs 10/- doing duty as Assistant Food Inspector in the Third division, Bangalore City under the rationing scheme. I have put in nine years of service, eight years in the revenue department as Revenue Inspector, one year in the food department as Assistant Food Inspector

I am a graduate of the Mysore University and have passed the following local tests namely (1) Revenue Higher (2) Accounts lower, (3) Criminal Higher (4) Registration (5) Municipal and Local Boards I belong to Sadar(Jain) community which is the most unrepresented minor community among backward classes I was born in the year 1909 and my age is 34 years so far, not even a single man is entertained as chief officer from my community as there is only one officer in the Gazetted rank in the whole community I humbly request you, Respected Sir, to kindly include my name in the Chief Officers List, specially in view of the fact that I have put in eight years of service as an executive official(Revenue Inspector) in the revenue department,

Sir

With reference to your letter No L 6968-95 dated 13th January 1945 calling for a list of officials of the Department who are eligible for inclusion in the list of candidates for appointing as Chief Officers and Assessing Officers, I have the honour to state that there are no officials in the permanent Establishment of this Department, who are qualified and eligible for inclusion in such a list

2 But in the quasi-permanent establishment of this Department, there are, as I have selected four officials (Graduates) as noted overleaf who possess the qualifications regarding pay, examinations passed etc , and have special ability for executive work and who have a record of approved service and good conduct and character The particulars regarding their qualifications, age, service and present pay and designation are also noted overleaf In my opinion, they are in every way deserving of consideration for the eligibility list under reference

3 I therefore strongly recommend the names of these four officials (noted overleaf) of this Department for inclusion in the proposed eligibility list

Respected Sir,

I beg to submit these following few lines to your kind consideration and favourable orders

I have been in the Public Health Department since 1929, and have put in 15½ years' of approved service to the best satisfaction of my superiors

I have worked in several branches of the Public Health Department such as malaria work, Typhoid investigation in Bangalore City, epidemic control work in Bureau of Epidemiology, Guineaworm Control work in Chitaldrug District, and latrine propaganda work in malnad parts while I was in charge of Anti-guineaworm operations in Chitaldrug District, in view of the arduous and good work turned out by me, my case was recommended to the benign Government and I was granted a personal allowance of Rs 5/- p m , which held good so long as I continued to be in charge of that work

In that connection, I beg to bring to your kind notice, that Chitaldrug District Board had passed resolutions twice at its meetings, recording the useful work turned out by me, under the guidance of the Public Health Department, and further recommended my case for the improvement of my pay As desired by the Board, the same has also been recorded in my Service Register (copies of the resolutions passed along with the letter written by the President, Chitaldrug District Board are enclosed herein for favour of kind reference)

while I was in the department, once I have also acted as Publicity Officer, Bureau of Health Education and turned out the responsible duties of that post in fitting up Health Exhibitions, and doing Health Propaganda by means of cinema shows etc at Hassan, in connection with 1st State Rally of Gramasudharakas

P.T.O

Since one year, I have been working as Sanitary Inspector in the Hindustan Aircraft Sanitary Board, and turned out good work to the best satisfaction of my superiors I have studied and picked up the rules, byelaws, and accounts of Municipal and Local Boards, during this period and have successfully passed out L S G Examination held during last May 1945 (Reg No 512)

In addition, I have been carrying on the duties of a Prosecuting Inspector, in launching and conducting the Criminal Cases, on behalf of the Hindustan Aircraft Sanitary Board, and picked up the court work to some extent

Under the above circumstances may I venture to request you, Sir, kindly to consider my humble prayer and bestow on me, the benefit of recommending my case to the benign Government for inclusion of my name also, in the list of Chief Officers and Assessing Officers in the State in light of the Government Order No G 8408-32/M1 52-42-54 dated, Bangalore, 22-2-1943

For which act of kindness and generosity, I shall remain ever grateful to you

No C 127/40-41
Date 8 5 41

Sir,

Subject:- Continuance of the Anti Guineaworm operations in Chitaldrug District during 1941-42

With reference to your letter No C 1356 dated 3rd March 1941, on the subject, I have the honour to state that the question was first placed before the standing Committee of the Board for their consideration They resolved that the anti guineawoym operations may continued during 1941-42

The subject with the resolution of the standing committee was brought before the meeting of the District Board, held on 23rd and 24th April 1941 Mr C K Suryanarayana Rao, the Asst Sanitary Inspector, was also invited to explain, the working of the Unit, in the district and relief extended so far to the Public, ever since the starting of the scheme The Board were convinced of the useful service rendered so far by the Unit, and were satisfied with the statistical informations furnished by the Asst Sanitary Inspector After a detailed discussions on the subject they were pleased to resolve as follows

" Standing Committee resolution approved" "The Board wish to record the useful work done by the Asst Sanitary Inspector under the Public Health Department and wish to recommend that a small allowance of Rs 5/- may be added on to his pay and encouragement shown "

Mr C K SuryanarayanRao, Asst Sanitary Inspector, lent from Bureau of Epidemiology, is seen to have been getting a monthly allowance of Rs 5/- in addition to his pay of Rs 50/- in virtue of the post, he held at present No encouragement is seen to have been shown to him by the department for the last few years for the good work done by him I hope you will agree with me, when I say, that such an official deserves every encouragement, at the hands of Government The prospects of this young and enthusiastic official deserves to be improved

In view of the above facts, the Board have recommended to rise the pay of the official, now in charge of the Unit to Rs 55/- instead of Rs 50/- plus 5/- Allowance, as is being paid at present As the charge recommended does not involve extra cost and the same is likely to work as an encouragement to the official in question, I request you to kindly arrange to obtain necessary orders of Government in respect of the continuance of the unit during 1941-42 and also for the conversion of the present allowance of Rs 5/- of Asst Sanitary Inspector to pay, and fix him on pay of Rs 55/- p m and thus encourage the deserving official and better working of the Unit

Mr A R Thepperumal, worked under me in the Closepet Health Training Centre as Sanitary Inspector for over five years He impressed me throughout by his diligence, enthusiasm and ability and his accomplishments in village improvement activities were of a high order

His success was due not only to his ability and enthusiasm but to the spirit of self sacrifice which he exhibited in all his work among the villagers

Without detriment to the heavy duties that were entrusted to him he studied and passed the Intermediate Examination in Arts of the Madras University and most of the important Mysore Local Tests He has also latterly passed in the English and Vernacular groups of the B Sc , degree examination of the Mysore University

I feel he is very well qualified for the post of a Chief Officer in a Municipality
